

WELCOME EVERYONE!

We are excited to welcome your pups to participate in our new WOOF! Daycare! Our WOOF! Hosts are going to have fun with enrichment activities and play time while also having some additional add-ons you can decide to add to their daily experience! Disclaimer: WOOF! Spa is not a full service grooming service. It is an add-on service to their current every day "cuteness" and all inquiries can be directed to a WOOF! Host on the day of daycare!

Below is what to expect for your pups daily schedule, costs, WOOF! Daycare Policy and Procedures and lastly, a Waiver and Release of Liability Form that needs to be signed and brought to your first day of Daycare! Please have this ready and bring a copy of your dog's current vaccination records (we will keep them on file) while coming a few minutes early for questions and we will see you all there!

See you soon!

WOOF! Daycare Policies and Procedures	
Check In/Check out	Standard daycare day is 6:30am – 6:00pm. Late Fee is \$1/Minute.
Cage Free Daycare	We do not use crates. WOOF! Daycare offers cage-free dog daycare at our facility. As one of our core services, cage-free dog daycare is a great experience for your playful dog and we provide spacious cage-free areas. Their size will determine which area they will be placed into to ensure that your dog plays with appropriately-sized playmates. We do use time-out areas when needed.
Fees	Payment is due the day of service.
New Client Special	First Play Session is 50% OFF! (Unless a prior discount has been applied.)

<p>Referral Program</p>	<p>Refer a Friend and receive 20% your next play session.</p>
<p>Why WOOF! Daycare is different!</p>	<p>Toy breeds and small dogs need special attention to keep them safe and happy in dog daycare. Most dog daycare facilities are sort of one-size-fits-all, which puts your small dog in a potentially dangerous situation. Small dogs usually experience the most fun when paired with other dogs of a similar size- it makes playing easier and less threatening. Sensitive or timid dogs also need to have their personality taken into account, since they may feel threatened by large dogs looming over them or rough play. Dogs who feel threatened might bite or lash out, and that can create a volatile situation in a matter of seconds. In the end, what might seem like an unnecessary process of assessment is a crucial factor in keeping your small dog safe.</p>
<p>Statistics</p>	<p>Only about 60 percent of dogs are actually well-suited to day care, Twenty percent are too aggressive around other dogs, while the remaining 20 percent are too fearful. Further, inadvertently selecting a mediocre day care center can have disastrous consequences for any dog. To top things off, small dogs are more likely to struggle with day care due to their diminutive size and penchant for human interaction.</p>
<p>High Energy & Low Energy Groups</p>	<p>All dogs are "interviewed" before they're placed with others to determine their energy level, among other things. smaller dogs rotate between an hour of play time and an hour of rest. Larger dogs, in</p>

	comparison, might be allowed to play all day.

<p>Orientations</p>	<p>All new clients will be asked to set up an Orientation Day for their dog before their</p>

	<p>first stay. This gives us the opportunity to get to know your dog and their personality and they get to know our staff and the facility. This often helps them feel a bit more comfortable before staying and playing. Talk to us about scheduling an orientation. At the beginning of the orientation, you will have a consultation with the Orientation Specialist. You will then leave your pup for at least 3 hours and the Orientation Specialist will try out a few different activities with them, walking in the hallways, some individual activities and meeting some new dog friends (if appropriate). This will help us determine the daytime option that is the best fit for your pup and see which options your dog enjoys the most.</p>
<p>Aggressive Dogs</p>	<p>Typically, alpha dogs, or dogs who like to be in charge, will not pass our evaluation. Also, if they show aggression towards other dogs, your dog will not pass our evaluation. If your dog fails, please don't take it personally. We want all dogs to be in a positive, safe, and fun environment where they can play with one another without worrying if one dog takes things too far.</p>
<p>Price Changes and Rules</p>	<p>Prices and rules are subject to change without notice.</p>
<p>Enrichment Program</p>	<p>Regardless of their age or behavior level, your dog's health and happiness can be improved through enrichment activities. We provide numerous fun and engaging enrichment training programs that boast numerous benefits.</p>
<p>Stay and Train Program</p>	<p>Your dog learns how to mind their manners while attending daycare. We have three levels of classes starting with our</p>

	<p>Essential Manners programs and ending with our Advanced Manners course. Each course includes time dedicated to teaching you how to keep the training fresh at home. We're proud of the fact that we're one of the few facilities that offers a 'Stay & Train' program.</p>
<p>Stay and Train Levels</p>	<p>1. <u>Essentials Manners Course</u>: teach target training, recall, leash manners, sit, stay, and down</p> <p>2. <u>Intermediate Manners Course</u>: teach leave it, advanced targeting, place, how not to jump up, and wait</p> <p>3. <u>Advanced Manners Course</u>: teach fluency, polite greeting, fetch/bring, and Canine Good Citizenship</p>
<p>Intact Clients</p>	<p><u>Intact Policy</u>: Dogs who are intact (not spayed/neutered) are not able to participate in group play with other guests if they are over 7 months of age and there are other dogs also intact. Instead of group play, our intact guests will take part in our Personal Play program.</p>
<p>Required Vaccinations</p>	<p><u>Distemper/Parvo or proof of titers, Rabies</u> if over 4 months of age, <u>Annual Bordetella vaccine, Annual Fecal test with negative result</u> required for group play – pets with no fecal or positive fecal results will be accepted but will not be allowed in group play and will require a \$25/day special handling fee and outside walks only. Please have your vet's office call or email us confirmation or bring copies upon Check-In.</p>
<p>Bordetella Vaccine</p>	<p>Canine Cough is a contagious, respiratory illness similar to the common cold. The</p>

	<p>Bordetella vaccination is important for dogs who attend daycare or boarding facilities, visit dog parks or spend time in places where they interact frequently with other dogs. The Bordetella vaccine only protects against certain strains of the disease.</p>
WOOF! Bordetella Vaccination Policy	<p>WOOF! requires that all dogs receive either an injectable or intranasal Bordetella vaccine every 12 months. The oral Bordetella vaccination is only accepted if given within the last 6 months. This is in alignment with the latest scientific data provided by the American Animal Hospital Association (AAHA) and VCA's chief medical team. Both the injectable and intranasal format of the Bordetella vaccine have proven efficacy for 12 months, whereas the oral format lacks sufficient evidence that it is effective after 6 months. In addition to the Bordetella vaccine, WOOF! also requires dogs to be up-to-date on Rabies and Distemper vaccines.</p>
